Prayer of Preparation

Lord Jesus Christ,

In this moment, I surrender myself to you the best way that I know how - especially my own thoughts and voice.

I ask you Lord Jesus to deal with the voices of other people and the enemy on my behalf.

Please bind up, silence and remove all that is not of you Lord Jesus from me and this place now.

I ask for your complete protection Lord, especially for the full armour of God to be placed upon me now...the helmet of salvation, the breastplate of righteousness, the belt of truth, the gospel of peace upon my feet, the shield of faith and the sword of the Spirit.

Please cleanse me of all sin and align me to you now Holy Spirit. In the name of Jesus Christ of Nazareth — Amen.
